

From single-use menus
to take-out signage,
our printers do it all...
just like you

Why Lexmark for Restaurants/Hospitality?

- ▶ **Print on demand & in house:** Less waste, more flexibility
- ▶ **Print on a variety of different paper types:** Cardstock, glossy, standard, etc.
- ▶ **Easily connect to the cloud:** Print menus or upload any required contact tracing information
- ▶ **Industrial metal frames:** Extremely durable devices, in even the toughest environment
- ▶ **On-board weather sensing:** Ensure great print quality, no matter the climate
- ▶ **Designed to sanitize:** Devices can withstand daily cleaning and disinfecting
